

How To Play

Gemb'Activ was created to dynamise

« **Gemba walks** ».

It allows teams to understand that the coach / manager is performing this ritual / event.

Ask the team to pick 3 random cards and to choose one out of them.

The team then discuss about the selected topic:

« **About Your Team** »

(topics on the team's organisation)

« **Parlez moi de vous PLUTO** »

(personal topics)

« **Parlons agilité** »

(topics on agile knowledge)
