

Règles du Jeu

Gemb'Activ est un outil créé pour dynamiser les « **Gemba walk** ».

Il permet aux membres des équipes de comprendre que le coach / manager... est entrain d'effectuer ce rituel.

Proposer aux équipiers de tirer 3 cartes au hazard et d'en choisir une parmi ces dernières.

L'équipe aborde alors le sujet proposé parmi les thèmes:

« **Parlons Equipe** »

(sujets sur le fonctionnement de l'équipe)

« **Parlez moi de vous PLUTO** »

(sujets plus personnels)

« **Parlons agilité** »

(sujets de culture générale agile)
